Investment Banker for the Official Committee of Unsecured Creditors

INTERIM FEE APPLICATION OF CENTERVIEW PARTNERS, LLC, INVESTMENT BANKER FOR THE OFFICIAL COMMITTEE OF UNSECURED CREDITORS FOR COMPENSATION AND REIMBURSEMENT OF EXPENSES FOR THE PERIOD FROM FEBRUARY 15, 2019 THROUGH AND INCLUDING MAY 31, 2019

Centerview Partners, LLC (“Centerview”), investment banker to the above-captioned Official Committee of Unsecured Creditors (collectively, the “Committee”), hereby submits its First Interim Fee Application (the “Interim Fee Application”) for allowance of compensation for professional services provided to the Committee in the amount of \$1,000,000.00 and reimbursement of actual and necessary expenses in the amount of \$119,526.46 that Centerview incurred for the period from February 15, 2019, through May 31, 2019 (the “Fee Period”) and payment of such amounts not previously paid pursuant to the *Order Pursuant to 11 U.S.C. §§ 331 and 105(a) and Fed. R. Bankr. P. 2016 for Authority to Establish Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* [Docket No. 701] (“Interim Compensation Order”). In support of this Fee Application, Centerview respectfully states as follows.

Jurisdiction

1. This Court has jurisdiction over this Fee Application pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2). Venue of this proceeding and this Application in this District is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

Background

2. On January 29, 2019 (the “Petition Date”), PG&E Corporation and Pacific Gas and Electric Company (collectively, the “Debtors”) filed with the United States Bankruptcy Court for

the Northern District of California (this “Court”) their voluntary petitions for relief under chapter 11 of the Bankruptcy Code.

3. The Debtors continue to operate their businesses and manage their assets as debtors in possession pursuant to sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in the Chapter 11 cases.

4. On February 12, 2019, the Office of the United States Trustee for Region 3 (the “US Trustee”) filed a Notice of Appointment of the Official Committee of Unsecured Creditors [ECF No. 409] pursuant to 11 U.S.C. § 1102(a). At the Formation Meeting, the Committee selected Milbank LLP (“Milbank” or “Counsel”) as its counsel and FTI Consulting, Inc. (“FTI”) as its financial advisor. On February 15, 2019, the Committee selected Centerview as its investment banker. On March 20, 2019, the US Trustee filed an *Amended Notice of Appointment of the Official Committee of Unsecured Creditors* [ECF No. 962] pursuant to 11 U.S.C. § 1102(a).

5. The following nine members currently comprise the Committee: (a) BOKF, N.A., as indenture trustee under unsecured bond indentures; (b) Deutsche Bank National Trust Company and Deutsche Bank Trust Company Americas; (c) NextEra Energy, Inc.; (d) Roebbelel Contracting, Inc.; (e) The Davey Tree Expert Company, Davey Tree Surgery Company, and DRG, Inc.; (f) G4S Secure Solutions (USA) Inc. and G4S Secure Integration LLC; (g) International Brotherhood of Electrical Workers, Local 1245; (h) Pension Benefit Guaranty Corporation; and (i) Mizuho Bank, Ltd.

6. On May 17, 2019, the Court entered the Order Authorizing the Official Committee of Unsecured Creditors to Retain and Employ Centerview Partners as its investment banker, Effective as of February 15, 2019 [ECF No. 2067] (the “Retention Order”).

Summary of Services Rendered During the Fee Period

7. Centerview submits that the investment banking services and advice it rendered to the Committee in connection with the chapter 11 cases during the Fee Period, all at the direction of the Committee or its counsel, were necessary and beneficial to the Committee and the constituency represented by the Committee. These services were complex, performed at a high level and were often subject to extreme time constraints. These services were also necessary to address a multitude of critical issues both unique to these chapter 11 cases and typically faced by unsecured creditor committees in cases of this size and complexity.

8. To provide a meaningful summary of Centerview's services rendered on behalf of the Committee, Centerview has established the following subject matter categories (each, a "Matter Category") in connection with these chapter 11 cases:

<u>Matter Category</u>	<u>Matter Description</u>
1	Financial Analysis / Drafting Materials
2	Internal Coordination with Committee and Co-Advisors
3	Coordination with Debtors and their Advisors
4	Coordination with Other Groups
5	Diligence
6	Chapter 11 Court Process
7	Travel

9. Copies of Centerview's contemporaneous time records are attached hereto as **Exhibit A**. The following is a summary, by Matter Category, of the most significant professional services rendered by Centerview during the Fee Period.

(a) Financial Analysis / Drafting Materials [Matter No. 1]

Total Hours: 222.0

10. During the Fee Period, Centerview expended significant time and resources contributing to the preparation of various analyses, presentations and memos for the Committee including work product related to the Debtors' i) DIP Financing, ii) capital structure, iii) cash flow, iv) applications to retain advisors and v) regulatory case filings, among other topics. Centerview also analyzed information, both publicly available and confidential information provided by the Debtors, related to the Debtors' financial and operating performance in order to inform Centerview's advice to the Committee.

(b) Internal Coordination with Committee and Co-Advisors [Matter No. 2]

Total Hours: 664.3

11. Centerview participated in regular planning and strategy discussions internally and with the Committee's other advisors. These discussions have included email correspondence, telephone calls, and in-person meetings. Topics discussed include case-related issues, strategy and the preparation of deliverables for the Committee. This Matter Category also covers calls and in-person meetings with the Committee or individual Committee members. Centerview participated in a weekly conference call with the Committee during which the advisors have typically provided case status updates, discussed recent court filings and presented deliverables to the Committee. Centerview also participated in periodic sub-committee calls, with designated members of the Committee, to review specific case issues in greater detail.

(c) Coordination with Debtors and Their Advisors [Matter No. 3]

Total Hours: 106.0

12. This Matter Category includes time spent by Centerview discussing case issues and due diligence items with the Debtors, their legal counsel and their other advisors. These discussions have included regularly scheduled conference calls with the Debtors' legal counsel and other advisors during which they have provided updates on the Debtors' operations, financial projections, capital structure, upcoming court filings and other important events. Centerview has also had periodic conversations with the Debtors' advisors to discuss case issues and outstanding diligence requests as needed.

(d) Coordination with Other Groups [Matter No. 4]

Total Hours: 17.0

13. This Matter Category relates to calls and meetings to discuss case issues held with case stakeholders other than the Debtors, the Committee, and their professionals. During the Fee Period, Centerview professionals participated in conversations with various parties in interest in these chapter 11 cases, including, but not limited to, representatives of the Ad Hoc Bondholders Group, the California Governor's office and the Official Committee of Tort Claimants (the "TCC").

(e) Diligence [Matter No. 5]

Total Hours: 45.5

14. This Matter Category includes time spent by Centerview reviewing contents of the virtual data room ("VDR"), other information provided by the Debtors and publicly available information related to the case.

(f) Chapter 11 Court Process [Matter No. 6]

Total Hours: 20.5

15. This Matter Category includes time spent by Centerview:

- (a) attending or listening to court hearings;
- (b) reviewing transcripts and/or summaries of hearings;
- (c) reviewing certain motions and/or other court filings; and
- (d) preparing for certain hearings

(g) Travel [Matter No. 7]

Total Hours: 132.0

16. This Matter Category includes time spent traveling to and from this Court or to other destinations on the Committee's behalf.

Summary of Expenses Incurred During the Fee Period

17. In accordance with the Engagement Letter and Retention Order, and consistent with Centerview's policy with respect to its other clients, Centerview is seeking reimbursement for charges and disbursements incurred as out-of-pocket expenses in the rendition of necessary services to the Committee.

18. The expenses for which Centerview requests reimbursement for the Fee Period are actual and necessary direct, non-overhead costs incurred in the course of rendering services to the Committee.

19. The time constraints imposed by the circumstances of these chapter 11 cases required Centerview's professionals to devote substantial time during the evenings, and on

weekends, to perform services on behalf of the Committee. Consistent with Centerview's policy, Centerview professionals who worked late in the evenings, or on weekends, were reimbursed for their reasonable meal and transportation costs.

20. These chapter 11 cases also required Centerview's professionals to travel frequently to and from this Court or to other destinations on the Committee's behalf. Consistent with Centerview's policy, Centerview professionals who incurred travel-related costs, including, but not limited to, airfare charges, ground transportation charges, hotel charges, and meals, were reimbursed for their reasonable meal and travel-related costs.

21. Centerview's regular practice is to not include components for the actual and necessary expenses incurred in the course of rendering services when establishing fee structures, but rather to charge its clients for these and all other out-of-pocket disbursements incurred during the regular course of the rendition of services.

22. Centerview has made every appropriate effort to minimize its expenses in these chapter 11 cases. All of the fees and expenses for which allowance is requested by Centerview in this Fee Application are reasonable and necessary and were incurred in connection with services rendered during the Fee Period. In seeking reimbursement of an expenditure, Centerview is requesting reimbursement "at cost" and does not make a profit on such expenditure.

23. A description of each expense incurred during the Fee Period is attached hereto as **Exhibit B**. Additionally, a chart summarizing the expenses for the Fee Period is included at the front of this Application.

24. Centerview has made voluntary reductions to certain of the expenses for which allowance is requested in this application, including but not limited to certain hotel, airfare and meal caps suggested in the draft Fee Examiner protocol.

25. The date of charge in **Exhibit B** corresponds to the date the charge was processed and may not align with the date the charge was incurred.

Centerview's Requested Compensation and Reimbursement Should Be Allowed

26. Section 330 of the Bankruptcy Code provides that, subject to section 328 of the Bankruptcy Code, a court may award a professional employed under section 1103 of the Bankruptcy Code “reasonable compensation for actual, necessary services rendered ... and reimbursement for actual, necessary expenses.”

27. The Retention Order approved Centerview’s Fee Structure (as defined in the Retention Application)¹ pursuant to section 328 of the Bankruptcy Code, subject to the terms of the Retention Order. Accordingly, compensation is sought subject to the standard of review set forth in section 328 of the Bankruptcy Code, and not the standard of review set forth in section 330 of the Bankruptcy Code, but subject to the terms of the Retention Order.

28. The services summarized by this Fee Application and rendered by Centerview to the Committee were substantial, highly professional and instrumental to the Committee in navigating these chapter 11 cases. Centerview respectfully submits that the compensation and

¹ Centerview’s Fee Structure, as further detailed in the Retention Application, includes the Monthly Advisory Fee, a Transaction Fee, an Additional Fee as well as reimbursement for reasonable travel and other reasonable out-of-pocket expenses. Capitalized terms used in this footnote but not defined in this Fee Application shall have the meanings ascribed to such terms in the Retention Application.

reimbursement requested by this Fee Application is reasonable in light of the nature and value of such services.

Reservation of Rights and Notice

29. Although every effort has been made to include all fees and expenses incurred in the Fee Period, some fees and expenses might not be included in this Fee Application due to delays caused by accounting and processing during the Fee Period. Centerview reserves the right to make further application to this Court for allowance of such fees and expenses not included herein.

30. Notice of this Application has been or will shortly be provided to the Notice Parties (as defined in the Interim Compensation Order).

[Remainder of Page Intentionally Left Blank]

WHEREFORE, Centerview respectfully requests that the Court enter an order: (a) awarding Centerview interim compensation for professional services provided to the Official Committee of Unsecured Creditors during the Fee Period in the amount of \$1,000,000.00, and reimbursement of actual, reasonable and necessary expenses incurred in the Fee Period in the amount of \$119,526.46; (b) authorizing and directing the Debtors to remit payment to Centerview for such fees and expenses that have not yet been paid pursuant to the Interim Compensation Order; and (c) granting such other relief as is appropriate under the circumstances.

Respectfully Submitted,
